Winelist

Vin skal ikke være kompliceret for at være spændende.
Dette kort er bygget på vine, vi selv har lyst til at drikke.

På oprindelse, håndværk og mennesker.
På klassiske områder, store producenter, små domainer og flasker med noget på hjerte.
Vi elsker Bourgogne, Bordeaux, Champagne, Loire og Piemonte – men også de steder, der formår at overraske os!
Nogle vine er præcise og elegante. Andre er vilde, generøse eller kræver lidt tid.
Fælles for dem er, at de er valgt med nysgerrighed, personlighed og respekt.

Med ét enkelt formål: At gøre oplevelsen omkring bordet endnu bedre.

Wine doesn't have to be complicated to be exciting.
This list is built around wines we genuinely want to drink.

Around origin, craftsmanship and people.
Around classic regions, great producers, small domaines and bottles with something to say.
We love Burgundy, Bordeaux, Champagne, Loire and Piedmont – but also places that manage to surprise us.
Some wines are precise and elegant. Others are wild, generous, or simply need a little time.
What they all have in common is that they have been chosen with curiosity, personality, and respect.

With one simple purpose: to make the experience around the table even better.
